

# Fungi Workshop

**Osborne Landcare** invites you to participate in a workshop to be conducted by **World renowned fungi expert, Alison Pouliot.**

The Fungi – An Introduction to a Curious Kingdom  
This workshop will introduce participants to the diversity, ecology and curiosities of the fungi kingdom.

It includes an interactive and illustrated seminar on the major fungal groups, the basics of fungus identification, fungal ecology, natural and cultural history of fungi. Many fungal specimens from the local area will be displayed, discussed and examined during the workshop.

**Saturday 11th May 2013 10am -4pm in Nth Warrandyte**

Participants will learn to recognise the various diagnostic characteristics used to identify fungi in the field.

Following the indoor session will be an exciting foray in local woodlands to search for species of interest. This will include various habitat types so that participants have the opportunity to see species growing in different substrates and situations.

Supplementary notes are provided.

If you have fungi specimens please bring them along.

Bring your own lunch. Tea and coffee will be provided. Wear sturdy footwear and bring a raincoat.

Numbers are limited so bookings are essential by phoning **Ruth Rankin on 9844 1959** or emailing : **[ruth@rankindesign.com.au](mailto:ruth@rankindesign.com.au)**

This event is funded by the Nth Warrandyte (Osborne Peninsula) Landcare Group.
